Whether your interests are in habitats and the natural sciences, or crossover with the social sciences, come learn about internship and study abroad opportunities that can make a difference. Explore your options and expand your understanding of environmental science and policy in the Solomon Islands, Guatemala, the Amazon, China, Europe or Africa. Learn through real world experience and studying abroad how economic and public policies impact different social groups and how policy can best address environmental problems.

STUDYABROAD.UCDAVIS.EDU

Study abroad is an integral part of a UC Davis education. Through academic coursework, internships and experiential learning, UC Davis Study Abroad provides every UC Davis student the opportunity to graduate with an international experience. The following programs are available to all students: UC Davis Quarter Abroad, UC Davis Summer Abroad, UC Davis Seminars Abroad, UC Davis Internships Abroad, UCEAP Immersion, and Independent Study Abroad.
