1. Policies and Procedures

Eligibility Requirements
To be eligible to participate in a Summer Abroad program, you must
• be 18 years or older
• have completed 15 accredited college units
• GPA of 2.0 or higher
• be in good disciplinary standing with your academic institution

Summer Abroad Program Enrollment (January 6 – April 1, 2016)*
To enroll in a Summer Abroad program, you need to
• Create a Study Abroad account.
• Fill out your profile with your programs of interest.
• Start gathering enrollment materials such as your Health Clearance and Passport Copy.
• Starting on January 6th, you will be able to complete all steps of the Enrollment section, pay your $300 (non-refundable) deposit, and submit your enrollment. The last day to enroll for open programs is April 1st.

*Summer Abroad students applying for the study abroad award must enroll by March 1, 2016 (Summer Abroad Internships students not eligible).

If you submit a Travel Clinic Appointment Card and/or Proof of Passport Application with your enrollment, you will need to have your completed health clearance and/or passport copy uploaded to your account no later than May 6, 2016. You will also need to upload a new passport copy by this deadline if your current passport expires earlier than 6 months after the end of your program. You may not be allowed to go on the program and will remain liable for fees if you do not meet this deadline.

First-Completed, First-Reserved Policy
Programs fill on a first-completed, first-reserved basis. Summer Abroad will review your completed information and assign your enrollment status (see options below) in order of receipt.

Checking Your Status
Study Abroad Account
Log in to your Study Abroad Account to review your enrollment status. Below is an explanation of statuses.

• Incomplete: You have started an enrollment, but have not yet submitted it. You will not be considered for a spot in the program until you submit your enrollment. Summer Abroad will send you updates on the program(s) as new information becomes available.

• Pending: Your enrollment has been submitted and can take up to two weeks to review. Once it has been reviewed, your account will show your updated status.

• Submitted-Incomplete: You submitted your enrollment, but it is incomplete. A spot in the program has not been saved for you. Contact Summer Abroad to verify which documents are missing and submit them to the Summer Abroad office as soon as possible to reserve your spot in a program.

• Enrolled-Conditional: Summer Abroad is holding a space for you in your chosen program but your enrollment is still being reviewed for one of the following reasons. You are still subject to the cancellation policy and fee schedule.
  o Disciplinary Clearance: Summer Abroad has not yet received your disciplinary clearance from your home campus or it is in review.
• **Academic Review:** Summer Abroad may be contacting you if you do not meet the prerequisites.

- **Enrolled:** You are fully enrolled in a Summer Abroad program. You are being saved a spot in your program and are subject to the [cancellation policy and fee schedule](#). Check your email regularly to monitor program announcements, updates on the orientation, and program confirmation.

- **Waitlisted:** You have been waitlisted in your program. For additional information, see the [Waitlist Status](#) section.

- **WL & Enrolled Alt:** You have been waitlisted for your first choice program and saved a spot in your second choice program. For additional information, see the [Waitlist Status](#) section.

- **Withdrawn:** You have cancelled your enrollment in the program. Refer to [Cancellation Policy](#).

- **Not Approved:** You do not meet eligibility requirements.

**Waitlist Status**

If your enrollment is received after a program has filled, we will put your name on a waitlist. You will receive an email explaining your options of enrolling in an alternate program. You can check your waitlist number by following the steps below:

1. **Log into your Study Abroad Account.**
2. **Click on “My Enrollment.”**
3. **Click “Step 1. Fill out Enrollment” for the program you applied to.**
4. **Click on “Additional Information” (when available, your waitlist number will be shown here).**

If a space opens up for you, we will contact you to confirm that you still want to enroll in the program. You will have 2 business days to respond before Summer Abroad moves to the next person on the waitlist. If you have made other plans for your summer but are still on the waitlist, please contact Summer Abroad and ask to be removed from the waitlist. Summer Abroad will refund your deposit if you do not accept a spot in the program.

**How likely is it that a space will open on the waitlist for my program of interest?**

Summer Abroad does not know in advance when and if a space will open up for those on the waitlist. There is no trend that could help us predict how many, if any, students will cancel their enrollment in a particular Summer Abroad program. Sometimes waitlisted students transfer their enrollment to an alternate open program. You may want to discuss this option with Summer Abroad while space is still available in alternate programs.

**Can I enroll in an alternate program and remain on a waitlist?**

Yes, when completing your enrollment online, you will be asked, “Would you like to choose a second choice alternate program?” If so, you will then “Select the Backup Summer Abroad program you are applying for.” If you do not receive a spot in your first choice program, you will be waitlisted in your first program and saved a spot in your alternate if there is space available. If you have already submitted your enrollment, please contact Summer Abroad. You may only select an alternate program that is the same program type (Summer Abroad or Summer Abroad Internships).

You are subject to Summer Abroad cancellation fees and policies when you enroll in an alternate program, so only enroll if you are serious. You will have the option of moving to the waitlisted program from your alternate if a space becomes available by April 8, 2016. After April 8, 2016 participants enrolled in an alternate program will be removed from all waitlists.

**Checking the Status of your Program**

You can check a program’s status on all program web pages under “Announcements.” Program statuses are updated as soon as possible and are not guaranteed.
- **Scheduled:** The program is scheduled for the upcoming summer.
- **Open:** The program still has space available and is accepting enrollments.
- **Open – Limited Space Available:** The program has ten or fewer spots available.
- **Full – Waitlist Available:** The program is full but waitlist space may be available. See also “Waitlist Status.”
- **Confirmed:** The program has been confirmed. This status will be used in combination with “Open” or “Limited Space Available” statuses. Once the program has been confirmed, you will receive additional information via email regarding airfare, travel preparation, etc.
- **Cancelled:** The program has been cancelled due to safety concerns, low enrollment, or other reasons that make continuation of a program in the planned location difficult.

**Participation Policies and Summer Abroad Contract**

Upon enrollment in UC Davis Summer Abroad, you will agree to certain terms and conditions. These terms are defined in the Summer Abroad Contract that you agree to while completing your enrollment. Before you enroll, make sure you read this contract thoroughly and understand what is required of you as a participant in a Summer Abroad program. If you have questions about this contract, please contact Summer Abroad for a clarification of the terms.

### Withdrawal from Summer Abroad

To withdraw from the program while it is in progress, fill out a Cancellation/Withdrawal Form (available from Summer Abroad). **There are NO refunds for withdrawals or dismissals from a program under any circumstances.**

Non-attendance or non-payment is NOT a form of cancellation. There are no refunds for non-attendance or non-payment. You will still be liable for all fees and will not be reimbursed for travel-related expenses including airfare, passport fees, or other costs.

### Cancellation of a Program by Summer Abroad

Summer Abroad may cancel a program due to safety concerns, low enrollment, or other reasons that make continuation of a program in the planned location difficult. If your program is cancelled, you will have the option of transferring to another open program or cancelling your enrollment in Summer Abroad.

Your $300 deposit will be refunded if Summer Abroad cancels your program and you choose not to participate in an alternate offering. **Because Summer Abroad will not refund the cost of any airfare purchased, you should not purchase your airfare before your program is confirmed.**

2. Fees, Payments & Financial Aid

Summer Abroad Fees
Fees include the Summer Abroad Fee, Course Fee, UC Davis Summer Campus Fee and Accommodations and Services Abroad Fee. Travel to and from the program site is NOT included. All fees are subject to change without notice.

Summer Abroad Fee
This fee covers instructor lodging and travel as well as overall program costs. The non-refundable deposit amount of $300 goes toward this fee.

Course Fee*
The Course Fee includes your tuition and classroom costs. Actual charges will be posted in the fees section of each program page when available.

UC students who are graduating in Spring Quarter will be charged Non-UC fees unless they defer their graduation. In many cases, these students can walk in the graduation ceremonies in June, but file for the September graduation date. Students should check with their college dean’s office for filing deadlines. You are a UC student if you are enrolled at any of the University of California main campuses and will be a continuing student in the Fall: UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC San Francisco, UC Santa Barbara, and UC Santa Cruz. If you are an incoming student (undergraduate or graduate) admitted to UC Davis for Fall, please contact summerabroad@ucdavis.edu.

* This fee is subject to Regental, legislative, and gubernatorial action and may change without notice. Advance notice of fee change will not be given.

Summer Campus Fee*
The UC Davis Campus Fee covers the following services and initiatives: Student Services, Memorial Union, Student Health Center, Counseling and Psychological Services, Unitrans, Mondavi Center, Recreation, Student Facilities Fee, Facilities and Campus Enhancement Initiative and Campus Expansion Initiative. The Provost has directed that all registered students must pay all elements of the campus fee with the exception of UC Davis employees who are also registered students. This directive is consistent with the language included in the referenda for campus-based fees, including the summer campus fee, voted upon by the students. With a UCD ID card, Summer Abroad students have access to the student services listed above during the entire special summer session period (mid June – early September). Davis students may get a UCD ID card at the Office of the Registrar, 12 Mrak Hall.

*This fee is subject to campus action and may change without notice.

The deferment request may be submitted electronically through your Study Abroad Account when enrolling in your program. Payment is due 5 business days after the expected disbursement of your aid. It is your responsibility to apply for Summer Aid at your home campus. Please note that you are liable for all fees regardless of the amount of your final disbursement. **California Veterans Fee Waiver**
Continuing UC students eligible for a California Veterans Fee Waiver can have the Course Fee waived. If you are eligible for this waiver, please send a copy of your current award letter for the academic year to Summer Abroad at summerabroad@ucdavis.edu.

**Financial Aid for UC Davis Students**
Financial aid may be available for UC Davis students from the UC Davis Financial Aid Office. To qualify, students must have a FAFSA on file for the 2015-2016 academic year and must register for 6 or more summer units. Aid is available on a first come, first serve basis, so sign up for your classes as soon as possible in late April/early May.

More information and an estimator (available in March/April) is available at the Financial Aid Website: [http://financialaid.ucdavis.edu/](http://financialaid.ucdavis.edu/)

*How much aid is available for UC Davis students?*
The Financial Aid Office posts the Summer Aid Estimator in March/April. You may use the estimator to calculate the potential aid available for your selected program. Summer Abroad will send a link to the Summer Aid estimator to UC Davis participants when it is ready. **You are responsible for using this resource to help budget for your program.** As soon as you know which program(s) that you are interested in, go to the Financial Aid office with the estimated program budget (found on the website) to get an estimate of your expected available aid.

*Maintaining Financial Aid Eligibility*
Students receiving financial aid for Summer Abroad are reminded of the following program requirements to retain financial aid eligibility for Summer Abroad:

- **Unit Requirement:** To be eligible for summer aid at UC Davis, you must be enrolled in a minimum of 6 quarter units per session of enrollment. Aid will be subject to cancellation if you drop below 6 quarter units.
- **Cancellation/Withdrawal:** If you receive financial aid and subsequently cancel or withdraw from the program, you may be required to return financial aid funds received. Return of Title IV funds received is based on published schedules and the date you officially withdrew or cancelled your registration. If you cancel or withdraw, notify the Financial Aid Office immediately.

**Direct Deposit for Financial Aid Disbursement**
If you are traveling before your program’s start date, any financial aid funds remaining after payment of fees on your account may be issued after you depart; therefore it is very important that you sign up for Direct Deposit of aid disbursements. UC Davis students can sign-up for this service online at [http://directdeposit.ucdavis.edu](http://directdeposit.ucdavis.edu), using their UCD Login ID and Kerberos password. Be sure to include your email address so that you will receive notifications of your deposit.

If you have questions regarding this service, contact myaccount@ucdavis.edu or call (530) 752-3646.

**Financial Aid for Non-Davis Students**

*Other UC Students*
All Summer Abroad students interested in summer aid must apply for aid at their home campus Financial Aid Office. All UCs award aid for summer sessions. The UC Davis Summer Abroad office will provide an enrollment confirmation letter by request. All financial aid recipients are responsible for paying their Summer Abroad fees within five (5) business days after the aid is disbursed.

**NOTE:** Financial aid disbursed by your home campus is **NOT** automatically transferred to UC Davis. It is your responsibility to submit your payment. For more information, see “Making Payments.”

**Financial Aid Eligibility for UC Berkeley and UC Merced students**
Students at UC Berkeley and UC Merced must be enrolled in 9 quarter units (6 semester units) in order to receive aid. If you did not request this extra unit when enrolling, please contact summerabroad@ucdavis.edu about arranging additional unit(s) of 199 or 99 independent study for financial aid.

**Students from Outside the University of California**
UC Davis does not provide aid for students from other institutions. Please see your home campus financial aid office to inquire about assistance for a UC Davis Summer Abroad program.

*If you reject the food, ignore the customs, fear the religion and avoid the people, you might better stay home.* – James Michener

Surveys

UC Davis Study Abroad is participating in a multi-campus project to study the relationship between study abroad and intercultural competence (knowledge and skills to interact with different cultures), as well as self-efficacy (independence and resourcefulness). You are not obligated to participate in the two surveys, but your participation is important to help us improve programs and make them more impactful for students. Surveys should be filled out before departing on your program and will be available to Enrolled students in the Post-Enrollment section of the Horizons enrollment system. Each survey should take no longer than 5-10 minutes to complete.
