

LONDON SAMPLE INTERNSHIP LIST - BUSINESS

INDUSTRY DESCRIPTION

London is a major centre for domestic and international business and has one of the largest city economies in the world. With enterprises that range from small start-up businesses through to multinational leaders in the business world, the range of opportunities is vast. Applicants that are seeking business placements should have good communication skills and be confident in prioritising workloads and working towards deadlines in a busy, often fast-paced environment and working both independently and in group settings. A student's academic background and prior work experience will play a key role in determining the type of placement opportunities available. Students should indicate in their application if there is a particular field/area of business that they are interested in and also if they have a preference for small, start-up businesses or more established companies.

EXAMPLES OF PAST PLACEMENTS

Please note that the following sites are a brief cross-section of current CAPA internship host sites and should not be considered as a guaranteed location for your placement. All internship & service learning placements will be dependent upon each individual applicant's application documents, prior experiences, demonstrated skills and their aspirations and goals.
