

## John Wasson Study Abroad Fellowship 2016-17 Application

John Wasson has allowed us to distribute \$7,000 in award money to an undergraduate student in the UC Davis Department of Chemical Engineering & the UC Davis College of Engineering that is participating in a UC Davis Study Abroad Program (UC Education Abroad Program (UCEAP), UC Davis Summer, Quarter, and Seminars Abroad) during Summer 2017 or 2017-2018 academic year. Students studying in the Department of Chemical Engineering will be given priority. The minimum cumulative GPA requirement to apply is 3.25.

**To apply**, please submit a one-page response to the following questions:

1. Please describe where you plan to go, for how long, and which courses you plan to take while abroad. *Plan to submit a EAP Credit Evaluation petition for your study abroad program.*
2. How will this experience improve your educational experience here at UC Davis?
3. How will this experience advance your academic and professional goals?
4. Do you plan to engage in a hands-on experience or research while abroad?

**Deadline:** Application due to Eugenia Luu, [ecluu@ucdavis.edu](mailto:ecluu@ucdavis.edu) by **March 20th, 2017**.

The Undergraduate Advisory Committee will review applications and determine the \$7,000 award for study abroad by **April 20<sup>th</sup>, 2017**.
