

## Sydney Sample Internship List – Business and Marketing

<b>Alegro Private Equity</b>	Alegro is an independent corporate advisory and private equity investment firm. Their services include: capital raising, acquisitions and mergers, selling businesses, restructuring and turnarounds, and business ownership and succession issues.
<b>First Unity</b>	FIRST UNITY is a boutique financial advisory firm providing bespoke wealth management services to affluent individuals, families and not-for-profits. FIRST UNITY as a financial group is in the unique position of being able to combine significant experience, networks, relationships and opportunities in an objective manner to meet the requirements of their clients.
<b>Hill Rogers</b>	Hill Rogers Chartered Accountants is a Sydney based firm which is part of an internationally affiliated network which advise on both domestic and international issues. Their clients span the range of small to large companies, family groups and a number of Australian subsidiaries of overseas-based companies. They provide the complete package of business services to clients including specialist taxation, assurance, superannuation, corporate advisory, financial management and financial planning advice.
<b>ING Australia</b>	ING Australia is one of Australia's leading fund managers, life insurers and superannuation providers. ING Australia provides a broad range of financial products and services through an extensive network of professional financial advisers and financial institutions, including its own advice groups. ING offers accounting and finance internships to very high caliber students who have the educational background and previous experience to qualify for their program.
<b>Klick Communication</b>	Klick Communications is a PR driven Marketing Communications Collective. Harnessing the power of communications, Klick creates and executes innovative marketing strategies and tactical PR solutions, resulting in a meaningful story that will connect their clients with the desired target audience. With an in-depth industry understanding across lifestyle, travel and entertainment sectors, Klick work with a mix of traditional and new media outlets. They are adept at all forms of public relations, know what it takes to get their message across and are highly responsive to the 24/7 media world.
<b>Liquid Ideas</b>	Liquid Ideas is a specialist marketing, public relations and events business within the "leisure and lifestyle" industries. They deliver strategic marketing and public relations expertise to make clients better recognized and respected by their customers, the media, the trade and their peers. Liquid Ideas has partnered some of the most recognized businesses in Australia since its inception in 2000 and its range of successes has been substantial.
<b>Mirvac Hotels and Resorts</b>	Mirvac Hotels & Resorts is one of the largest Australian-owned hotel groups. With such a wide variety of properties this placement offers mainly hotel based accounting or business admin focused internship roles.
